Garden Care Field Crew

About Us:

Mariposa Gardening & Design is known for building beautiful gardens that bring the natural world to the built environment. We are looking for motivated workers to help us grow our company together. Employees of Mariposa are encouraged to join our team to become Worker-Owners.

Benefits:

- Accrued sick and PTO
- Matching IRA
- Opportunity to co-own in profitable business
- Supportive team environment
- Opportunity to expand skill sets

Garden Care Field Crew Description:

The Garden Care field crew is responsible for making sure that the Mariposa Gardens are properly maintained and cared for. They will be working with the ecosystem and responding to make sure it is thriving.

- Use organic gardening practices pulling from a variety of disciplines: horticulture, plants, biology, etc.
- Use knowledge of CA native species and how they build habitat and diversify ecosystems while performing garden care functions
- Run, adjust, maintain residential scale irrigation systems
- Prune for the health of plants
- Be willing and able to follow the gardening methods/techniques that Mariposa practices (even though you are an experienced gardener)
- Communicate regularly, respectfully and effectively with the team and if necessary, clients
- Stay on task and work quickly and efficiently
- Be a team player and have the ability to work independently
- Detail gardens to client individual desires
- Respect and appreciate plants and nature

- Flame weed, sheet mulch, compost, and mulch garden.
- Work with team to do small projects
- Take directions from supervisor
- Ability to work both independently and as a team

Skills & Experience:

- A Smart Phone
- Must have a valid California driver's license and be insurable by company insurance carriers
- A vehicle that can be used to transport tools, plants, soil, and equipment. A truck makes it easier but is not necessary.
